Family Solutions Program

We provide an intensive in-home intervention program to identified families. This is a 12 to 14-week program.

Our program may be a good fit for you if you:

- Are experiencing relationship issues, conflict, and/or household stress
- Want help with reunification
- Have children/youth who are experiencing behavioural difficulties at home, school, and/or in the community
- Have children/youth who are at risk of out-of-home placement

Through goal-oriented home visits, our Team will work with you to ensure that your family receives the most suitable supports.

If you need more information or would like to book an appointment, please contact us at 519-337-3701.
