Walk-In Therapy Clinics

We provide Walk-In Therapy Clinics for access to therapy services for children and youth up to 18 years of age, and their families.

Our Walk-In Clinics offer you an opportunity to meet with trained therapists for help in your time of need. A single session of therapy may be sufficient, and the Walk-In Clinic may be used more than once.

Parents/guardians – you may access this support with or without your child.

Youth - you may opt to access this support on your own.

Our Team will work with you to ensure that you receive the most suitable supports.

You do not need a referral for this service. See our website for a monthly calendar of Clinic locations, dates/times, and how you can access them.
